Education:

- 2010 – 2013 - PhD in European Union Law, University of Ferrara – Italy – Department of Law.
 - *Thesis in Food law, investigating the Rapid Alert System for Food and Feed.*
- 2005- 2008 Master Degree in Law, 110L/110, University of Ferrara – Italy – Department of Law.
 - *Thesis in EU Law and Trade Law – the research analyzed several implications of Directive 68/151/EEC on invalidity of company contracts.*
- 2002 – 2008 Bachelor Degree in Juridical Sciences, 110L/110, University of Ferrara – Italy – Department of Law.
 - *Thesis in EU Law, focusing on the development of EU Parliament's powers from the EEC Treaty to the Constitutional Treaty.*

Professional experience:

- Since 31 August 2025 Adjunct Professor at the Faculty of Social and Political Studies, Universitas Diponegoro, Semarang, Indonesia.

Main tasks:

- *Joint research and participation in international calls for research funding*
- *Seminars for students, lecturers and PhD candidates*
- *Developing further opportunities for cooperation*

- Since 01 October 2024. Associate Professor in Agricultural and Food Law at the University of Parma (Italy).

Main tasks:

- *Research in the Agrifood law area.*
- *Lecturing in the LLM Global Food Law: Sustainability Challenges and Innovation (GFL).*
- *Member of the GFL Committees for Admissions, Study Plans, GFL Regulation, Law Bulletin.*

- Lawyer. Member of the Italian Bar since 2014.

Main area of activity: food law

Main topics: novel foods, food labelling, additives, enzymes, food colours, nutrition and health claims, food supplements, quality schemes and certification, food contact materials, food hygiene and food safety.

Tasks:

- *Meeting clients.*
- *Providing assistance and consultancy.*
- *Drafting opinions and reports.*
- *In-house training for companies and public authorities.*
- *Seminars, workshops and training courses for companies and public authorities.*

Research:

- 01 July 2021 – 30 June 2024 Researcher/Assistant Professor in Agrifood law, University of Padua, Department of Land, Environment, Agriculture and Forestry.

Main tasks:

- *Research in the Agrifood law area.*
- *Lecturing in the following courses: International regulations for food safety, certification*

and trading [Food and Health MSc]; Food toxicology and food regulation (food regulation unit) [Biotechnologies for food science MSc]; Agri-environmental law and land planning [Agriculture MSc].

- *Students' applications assessment for the Food and Health MSc.*
- *Study plan approval for the Food and Health MSc.*
- *International mobility development for the Food and Health MSc.*
- *Member of the Departmental Committee for Ethic in Research.*
- 01 May 2019 – 30 April 2020 – Research fellow, University of Modena and Reggio Emilia (Reggio Emilia, Italy). Project [SCALIBUR](#) (Horizon 2020). – WP on insects use: my activities focused on the study of the EU legislation on insects as food, feed, waste reducers and as source of new materials, and its national implementation in several EU countries. The cooperation with SCALIBUR continued also after the formal contract ending. On 22 September 2022, I represented two of the partners of the project in the ROOTS event “Circular Policies for Changing the Biowaste System”, talking of the use of insects and proposing amendment to existing provisions. At the end of the project (autumn 2022) I prepared the final report on the regulatory assessment of the project, which also included the amending proposal.
- 01/08/2016-31/07/2017 Research Fellow, University of Modena and Reggio Emilia (Reggio Emilia, Italy). Project ValoriBio.
 - *Law WP: my activities focused on the study of the EU and national legislation to understand if, how and to which extent insects could be used in a circular economy (with a focus also on organic waste valorization).*
- 02/05/2016-21/07/2016 Scholarship for training and improvement in research concerning “Business ethics, consumer protection and origin of food”.
- 03/02/2014-02/02/2015 Post-doc, University of Eastern Piedmont (Alessandria, Italy). Project: The definition of waste in EU and International Law.

Teaching/training experience:

- 28 August 2025: Lecturer at the Summer course “Frontiers in responses to transnational organized crime”. Title of the lecture “Food law: innovation and sustainability”. Organised by Universitas Diponegoro.
- 09 July 2025: Lecturer at the training course for lawyers “All you eat is law”, on the common agricultural policy and entitlements, organised by AIGA (Italian Young Lawyers Association – Parma section).
- 22-28 June 2025 Erasmus+ Lecturer at the Justus Liebig University – Giessen. Lectures on EU Agricultural Policy in the Joint Master Global Change: Ecosystem Science and Policy (MSc) between Justus Liebig University Giessen and University College Dublin.
- 12 June 2025. Lecturer at the Summer School organized between the University of Parma and Albany University “Towards the 2030 UN SDGs”. Lecture on Food supply chain agreements: meeting SDGs in private food law.
- 12 June 2025 Lecturer and organizer of the online training course for agronomists on plants with healing properties and botanicals, in cooperation with the Universities of Ferrara, Brescia, Padova, Parma and the register of agronomists of the province of Viterbo (12 and 19 June 2025).
- 23-24 May Lecturer at the training course for veterinarians of the official control authorities “Applicazione dei meccanismi sanzionatori in materia penale ed amministrativa: ruolo e compiti degli organi di controllo”, Naples, Italia.
- 15 April 2025 2024-2025: Guest Lecturer, Bologna Business School “Executive Master Food Innovation and Regeneration”, Food Law and Food Safety. Topic: Novel Foods.
- 21 March 2025, Lecturer in the module of the FeedINN Project “Feeding Future Generations Sustainably: Legal Challenges and Scientific Innovation” (Jean Monnet Module 2023), University of Milan.
- 20 March 2025, Lecturer at the training course for veterinarians of the official control authorities “Applicazione dei meccanismi sanzionatori in materia penale ed amministrativa: ruolo e compiti degli organi di controllo”,

Baggiovara, Modena, Italia.

- 11 March 2025. 2025. Training course for Auditor Sistema di Qualità Nazionale Produzione Integrata SQNPI, “Introduzione al quadro giuridico dei sistemi qualità regolamentati”, (transl. Introduction to the regulatory framework of quality schemes), 11 Marzo 2025.
- January 2025 Lecturer at the Bologna Business School “Business Law for the food and wine industry” MBA, Bologna.
- A.Y. 2024/2025 Lecturer at the University of Parma in the Unit Food Law and EU Agricultural Policy.
- A.Y. 2023/2024 Lecturer at the University of Padua in the master’s degree courses
 - A. Agricultural Sciences (Module Agri-environmental law and territorial planning), in Italian.
 - B. Biotechnologies for Food Science (Module Food Legislation and Food Regulation of the exam Traceability of agrifood products, food legislation and regulation), in English and
 - C. Food and Health (International regulations for food safety, certification and trading module), in English.
- June 2024 Lecturer in the training course *Tecnico per la qualità e certificazione nella filiera agroalimentare, ecosostenibilità e digitalizzazione* (transl. technician for quality and certification in the agri-food supply chain, eco-sustainability and digitalisation) – Food labelling unit, Fondazione Simonini, Reggio Emilia.
- May-June 2024 Lecturer at the Bologna Business School “Business Law for the food and wine industry” MBA, Bologna.
- 15 March 2024 lecture “The European Union strategies for the agrifood sector” in the Jean Monnet Course Scientific innovation and legal challenges of food regulation, European Union Food Law: strategies, policies and regulation, University of Milan.
- A.Y. 2022/2023. Lecturer at the University of Padua in the master’s degree courses
 - A. Agricultural Sciences (Module Agri-environmental law and territorial planning), in Italian.
 - B. Biotechnologies for Food Science (Module Food Regulation of the exam Food toxicology and regulation), in English and
 - C. Food and Health (International regulations for food safety, certification and trading module), in English.
- August 2023: Lecturer Erasmus+ KA171 at Monash University, Melbourne (Australia)
 - BTF 9505 Global trade governance - the SPS Agreement and the connection with international standards.
 - BEX 5060 Challenges in global agribusiness – WTO, the Agreement on Agriculture, the SPS Agreement.
 - Seminar: Food analogues, novel foods and regulatory issues.
 - Seminar: Food information to consumers in the EU. The double-edge sword of regulations.
- May 2023, Lecturer in the training course “*Tecnico della tracciabilità e rintracciabilità per la digitalizzazione e l’economia circolare per le industrie agroalimentari*”(transl Tracking and traceability technician for digitalisation and the circular economy for the agri-food industries) – Food labelling Module, Fondazione Alberto Simonini, Reggio Emilia.
- 2022 and 2023 Lecturer at the Postgraduate Master in “Diritto, Impresa e Sicurezza Agroalimentare” (transl. Law, Business and Agri-Food Safety), University of Modena and Reggio Emilia.
- 2022 and 2023, member of the board for the International and Community

Project of the Universities of Sydney and Padua.

- 2021-2023 Guest lecturer at the Bologna Business School “Business Law for the food and wine industry”, Bologna.
- 2019-2025, Lecturer at the Postgraduate Master in Food Law, University of Tuscia, University Roma 3, Biomedical Campus of Rome.
- 2022 Lecturer in the training program “Master Altalex in diritto alimentare” [transl. Master in Food law], organized by Altalex-WKI.
- 2019, 2020 and 2022, Lecturer at the High training course in Food Law (CAFLA), University of Eastern Piedmont, topic Case law on Novel Food.
- 2020-2022, Lecturer at the Online Summer School on Food Sustainability of the University of Parma.
- A.Y. 2021/2022 Lecturer at the University of Padua in the master’s degree courses in Agricultural Sciences (Module Agri-environmental law and territorial planning), in Science and Technologies for the Environment and the Territory (Environmental law module) in Italian, and in Food and Health (International regulations for food safety, certification and trading module), in English.
- A.Y. 2020/2021 Lecturer at the University of Padua in the master’s degree courses in Agricultural Sciences (Module Agri-environmental law and territorial planning) and in Science and Technology for the Environment and Territory (Module Law and EU Projects for Environment and Territory), in Italian.
- 23 September 2020, Lecturer in the Course “Il controllo degli alimenti nell’infinito mondo del Web” (transl. Food control in the infinite world of the Web), Topic: “E-commerce di alimenti e responsabilità penale e amministrativa: studio di casi” (transl. Food e-commerce and criminal and administrative liability: case study), AUSL Reggio Emilia.
- 2020, Lecturer in the module “EU Food law”, University of Modena and Reggio Emilia, Department of Life Sciences, Reggio Emilia (Italy).
- 02 December 2019 – Lecturer at the training course for official food control staff, on food labelling, IZS, Palermo (Italy).
- 2019, Lecturer in the module “EU Law and tech food”, University of Modena and Reggio Emilia, Department of Life Sciences, Reggio Emilia (Italy).
- 21-22 May 2019 –Lecturer at the training course for preventative health experts on food labelling – Caltanissetta (Sicily – Italy).
- 30 April 2019 – Invited Lecturer in the Food Law Course – University of Eastern Piedmont, Vercelli.
- 03 April 2019 – Lecturer at the training course for veterinarians and preventative health experts “Intossicazione da istamina: un pericolo emergente?” (transl. Histamine poisoning: an emerging danger?), Bologna.
- 21 March 2019 - Lecturer at the training course “Good practices for manufacturing of food contact materials, Sanctions”, CEFPAS Caltanissetta.
- 08 March 2019 - Lecturer at the training course IFTS Techniques for designing and implementing handcrafting and food processing processes – EU and National provisions on food and wine production. Borgosesia (Piedmont – Italy).
- 27-28 November 2018 – Lecturer at the training course for preventative health experts on food labelling – Caltanissetta (Sicily – Italy).
- 21-22 November 2018 – Lecturer at the training course for veterinarians and preventative health experts on food labelling for additives, flavourings and enzymes – Palermo (Sicily – Italy).
- 08-09 November 2017 – Lecturer at the training course for preventative health experts – Caltanissetta (Sicily – Italy).
- 05 May 2017 – Lecturer in the Course for Lawyers in Food Law, organized by AIGA Treviso – Valdobbiadene (Italy).

- 2016-2017, Lecturer in the Postgraduate master's in food law, organized by University of Tuscia, Viterbo (Italy).
- 29 April 2016 – Lecturer in the Course for Lawyers in Food Law, organized by AIGA Treviso – Valdobbiadene (Italy).
- 2015 - Lecturer in the High-level Training Course in Food Safety – Catholic University of Sacred Heart – UCSC for Expo.
- 2014 - Lecturer in the Erasmus IP Global Food Law and Quality – Tuscia University - Viterbo – Italy.

Further activities

- 2023: organization and management of the Collaborative Online International Learning Virtual Exchange “Healthy=Wealthy. Is it the equation of food quality?”, between the Master Program Food and Health of the University of Padova and the Master Food Science and Agribusiness of Monash University (Australia).
- Since 2023: cooperation with the online journal Ruminantia to record online lectures and seminars on agrifood law.
- Since 2022 – Member of the Italian Working Group on the use of insects as food and feed.
- 01st March 2012 – 30th June 2012, Researching as external visitor at WUR (Wageningen University and Research Center, The Netherlands) and teaching assistant in the EU Law course.
- 2019, Member of the evaluation board of the UNASA prize.
- 03rd February 2013 – 16th February 2013 Participation to the Erasmus IP Global Food Law and Quality – Tuscia University - Viterbo – Italy.

Membership

- Since 2022 – Member of Comunità scientifica di diritto agrario (Scientific community of agricultural law).
- Since November 2021 – Member of the European Law Institute.
- Since 2019 – Appointed Member of Accademia dei Georgofili.
- Since May 2014 – Member of AIDA (Italian Food Law Association).

Workshops, seminars, webinar, conferences as speaker:

- Speech “*Distillati (botanici) di diritto, dalla tradizione all’innovazione*”, in BEETROOT final conference, *Un quadro giuridico chiaro per il mercato delle piante con proprietà benefiche*, Brescia, 12 September 2025.
- Speech “*Insetti edibili – profili giuridici*”, in Convegno conclusivo del progetto *The Future of Food, The Food of the Future. Novel food, innovation, sustainability, and legal issues*, Milan, 09 September 2025.
- Speech “*The proof is in the pudding: the misleading power of correct information*”, in FLAN Conference 2025 Food law for a healthier future, Neuchatel, Switzerland, 15-16 May 2025.
- Seminar “*Estratti botanici e alimentazione: profili giuridici dei “nutrienti dalla natura”*” (transl. “*Botanicals and food: law aspects of nutrients from nature*”), in Cycle of seminars *Focus su diritto dello sport, alimentazione e benessere* (transl. “*Focus on sport law, food and wellbeing*”), University of Modena and Reggio Emilia, 23 April 2025.
- “*Come un pesce fuor d’acqua: alimenti prodotti da cellule coltivate di “organismi acquatici viventi”*” (transl. *As a fish outside water: food from cultivated cells of living aquatic organisms*”), in *Il futuro sostenibile di pesca e acquacoltura* (transl. “*The Sustainable Future of Aquaculture*”) Congress organised within the training course for Third sector, enterprises and sustainability, Rome, LUISS, 03 April 2025.
- Discussant (and co-organizer of the event) in the panel on food law at the

- Conference *Diritto agrario e alimentare: armonizzazione, unificazione e percorsi inversi* (transl. Agricultural and food law: harmonization, unification and reverse paths), Rovigo-Ferrara, 17-18 October 2024.
- “Where competitiveness meets sustainability: law, policy, implementation and the environmental challenge of vineyards”, in FLAN Conference Sustainibale Agrifood Chain, Bari, 15-17 May 2024.
 - “Carne coltivata: una comparazione tra Australia e UE” (transl. Cultured meat: a comparison between Australia and the EU), in Workshop AIDA- DILHPS University of Milan, “From farm to lab: la carne da laboratorio tra regole di produzione e comunicazione” (transl. From farm to lab: laboratory meat between production and communication rules), Milano, 08 maggio 2024.
 - “The regulatory framework on plant protection products: awareness and limits of sustainable solutions” in *The sustainability of food supply chains: theory, tools and empirical analysis*, Workshop, Parma, 11-12 Aprile 2024.
 - Seminar “UE HealthyLifestyle4All, un anno dopo. Attività fisica, alimentazione e benessere” (transl. UE HealthyLifestyle4All, one year later. Physical activity, nutrition and well-being), Seminars “Focus on sports law, nutrition and well-being”/Ciclo di seminari Focus su diritto dello sport, alimentazione e benessere, Università degli Studi di Modena e Reggio, 14 March 2024
 - Biocontrollo: l’attenzione all’ambiente nell’integrazione tra regolazione biologica e regolazione giuridica (transl. Biocontrol: attention to the environment in the integration between biological regulation and legal regulation), in *Innovazione ambientale in agricoltura. Tecnica, politica e diritto* (Environmental innovation in agriculture. Technology, politics and law), Università degli Studi di Bari, 06 December 2023.
 - Sostenibilità in etichetta: potenzialità e insidie delle informazioni obbligatorie e volontarie (transl. Sustainability in labels: potential and pitfalls of mandatory and voluntary information), in *Tutela dei diritti umani e ruolo dei consumatori per una produzione alimentare sostenibile: il quadro giuridico internazionale e dell’Unione europea* (transl. Protection of human rights and the role of consumers for sustainable food production: the international and European Union legal framework),, webinar organised by the University of Parma, 30 November 2023.
 - *Innovazione tecnologica e limiti dell’armonizzazione: novel foods, sicurezza alimentare e libera circolazione dei prodotti agroalimentari* (transl. Technological innovation and limits of harmonization: novel foods, food safety and free circulation of agri-food products), in *Presente e futuro del mercato unico a trent’anni dal suo completamento* (transl. Present and future of the single market thirty years after its completion), Rovigo, 31 October 2023.
 - *Food system digitalization for safety and information: the EU approach, in International Conference on Indonesian Social and Political Enquiries – Demanding Sustainable Social, Business and Political Reforms: Digital Technology and its Application in Current Socio-Political Issues*, Diponegoro University (Indonesia), 03 October 2023.
 - *The future of food law. Speech: A further piece of the sustainable food system puzzle: biocontrol agents in the food chain*, Wageningen, 26 May 2023.
 - *Gli allergeni e la gestione della cross contamination nell’autocontrollo dell’impresa alimentare*. Webinar organised by AIDEM S.r.l./Professional Academy. 09 May 2023 and 11 October 2023.
 - *Il tecnico della prevenzione nell’attività dei servizi pubblici e della professione* (transl. The prevention technician in the activity of public services and the profession). Speech: *Le violazioni sanabili alla base della diffida nell’ambito della normativa sulla sicurezza alimentare. L’interpretazione del giurista* (The remediable violations at the basis of the warning in the context of food safety legislation. The jurist's interpretation). Event for official control

inspectors. 24 November 2022.

- ROOTS Event, *Circular policies for changing the biowaste system*, European Committee of the Regions, Bruxelles, 27 September 2022. Speech: *Insects and biowaste: food (and feed) for thought?*
- Esperienze, prospettive e criticità del diritto alimentare dell'oggi, a vent'anni dal Regolamento (CE) n. 178/2002 (transl. Experiences, perspectives and critical issues of food law today, twenty years after Regulation (EC) no. 178/2002), Rovigo, 10 June 2022, Speech: $RASFF = 20 \text{ anni} + x$ ($RASFF = 20 \text{ years} + x$).
- *Giornate dottorali di diritto agrario (PhD Agriculture Days)*, Comunità scientifica di diritto agrario e Università degli Studi di Trento. 19-20 May 2022. Speech: Contro l'ipertrofia normativo, una compressa di standard (Against regulatory hypertrophy, a tablet of standards).
- *Focus su diritto dello sport, alimentazione e benessere (seminars on sport law, food and wellbeing)*, University of Modena and Reggio Emilia. Seminar: *I claims nutrizionali e salutistici (nutrition and health claims)*, 04 May 2022.
- Webinar *Il road show della legalità, Non solo merce, non solo cibo: il patrimonio agroalimentare veneto* (transl. *The road show of legality, Not just goods, not just food: the Veneto agri-food heritage*), Padova Chamber of Commerce – Unioncamere Veneto – Osservatorio Agromafie – Coldiretti Padova. Speech: La rete europea contro le frodi alimentari, 04 May 2022.
- Food and Health Webinar Series (joint with Monash University). Webinar: *Novel foods: a regulatory approach*, 13 April 2022.
- Webinar *“Allevamento di insetti. Pazza idea o nuovo business sostenibile?”*, (transl. *Insect breeding. Crazy idea or new sustainable business?*), Provincia di Trento, 30 November 2021.
- Webinar *Italmopa "Cross contamination, informazioni volontarie e informazioni obbligatorie: la filiera molitoria e il problema della senape"* (*Cross contamination, voluntary information and mandatory information: the milling supply chain and the mustard problem*), 29 July 2021.
- *Novità e innovatività: aspetti giuridici (new and innovation: legal aspects)*, in *Alimenti innovativi*, webinar organizzato dall'Associazione Italiana Veterinari Igienisti, Event for official control inspectors, 28 May 2021.
- *Integratori alimentari: diritto in capsule (food supplements: capsules of law)*, Seminario online organizzato all'interno del ciclo *Diritto dello sport, alimentazione e benessere (sport law, food and wellbeing seminars)*, 25 March 2021, Università degli Studi di Modena e Reggio Emilia.
- *Gli aspetti legali della produzione di insetti (legal aspects on insect production)*, webinar organized by Confagricoltura, 23 March 2021.
- *Diffida, questa sconosciuta, in Informazioni alimentari e sanzioni – La disciplina sanzionatoria per la violazione delle disposizioni in materia di informazioni alimentari* (transl. *Administrative warning, this unknown one, in Food information and sanctions - The sanctioning discipline for the violation of the provisions on food information*), University of Udine, 04 December 2020.
- *Insetti e controlli ufficiali (insects and official controls)*, Agroinsecta, 24 September 2020.
- *The Novel Food Law in the EU*, in *Novel Foods and Gastro-Diplomacy: Challenge and Opportunities in the post-pandemic*, webinar, University of Diponegoro, Indonesia, 18 September 2020.
- *Criticità del sistema sanzionatorio in materia di etichettatura*, in *D. lgs. 15 dicembre 2017, n. 231. Linee Guida Regione Emilia-Romagna "Disciplina sanzionatoria per la violazione delle disposizioni del regolamento (UE) n. 1169/2011"* (transl. *Critical aspects of the sanctioning system regarding labelling*, in *Legislative Decree 15 December 2017, n. 231. Emilia-Romagna Region Guidelines "Sanctions for violations of the provisions of Regulation (EU) No. 1169/2011"*).

- Event for official control inspectors, Bologna, 16 December 2019.
- *A European overview of Regulation (EU) no 1169/2011 after the entry into force and the perspectives*, in AIDA-EFLA workshop, *The Implementation of Regulation (EU) no 1169/2011 in the EU Member States and the sanction models adopted*, Milan, 10 December 2019.
- *Profili giuridici dell'allevamento di insetti: rifiuti, alimenti e mangimi (Legal aspects of insect farming: waste, food and feed)*, in *Bugs in law. Agricoltura, ambiente, insetti e regole per la green economy (Bugs in law. Agriculture, environment, insects and rules for the green economy)*, Bologna (FICO), 10 October 2019.
- *Dall'entomofagia umana e animale alla riduzione dei rifiuti: limiti e spazi normativi nell'utilizzo di insetti e derivati (From human and animal entomophagy to waste reduction: limits and regulatory spaces in the use of insects and derivatives)*, in *Agroinsecta*, Rivalta Scrivia, 26 September 2019.
- *Indicazione dell'origine dell'ingrediente primario e proprietà intellettuale. Quale relazione? (transl. Indication of the origin of the primary ingredient and intellectual property. What relationship?)*, in *L'indicazione dell'origine dell'ingrediente primario nell'etichettatura degli alimenti (transl. The indication of the origin of the primary ingredient in food labelling)*, Novara 18 gennaio 2019.
- *Gli insetti e la riduzione degli scarti: i limiti legali per substrati, specie e finalità (Insects and waste reduction: legal limits for substrates, species and purposes)*, workshop *Circular Economy. Theoretical and Practical Dimensions of Interdisciplinarity*. Macerata, 18 dicembre 2018.
- *I marchi europei d'origine in Stato dell'arte dei prodotti forestali non legnosi: approfondimento sulla fiscalità e la nuova legislazione nazionale ed internazionale (European brands of origin in the state of the art of non-wood forest products: in-depth analysis on taxation and new national and international legislation)*, Padova, 05.12.2018.
- *The Beatles Revolution: quando l'innovazione parte dagli insetti (The Beatles Revolution: when innovation starts from insects)*, in Annual meeting of the Italian Food Law Association, *L'innovazione nel diritto agroalimentare fra tecnologia e comparazione (Innovation in agri-food law between technology and comparison)*, Trento, 09 November 2018.
- *How is the RASFF structured in the EU legislation?*, EFLA congress, Hamburg, 20 September 2018.
- *D.Lgs 15 dicembre 2017, n. 231: adeguamento della normativa nazionale alle disposizioni del Regolamento (UE) n° 1169/2011 e relative sanzioni (Legislative Decree 15 December 2017, n. 231: adaptation of national legislation to the provisions of Regulation (EU) No. 1169/2011 and related sanctions)*, in *Alimenti e salute: è anche una questione di etichetta (food and health: it's also a labelling matter)*, Event for official control inspectors, Bologna, Italy, 29 May 2018.
- *La limitazione degli sprechi alimentari e l'impatto sulla qualità alimentare (The limitation of food waste and the impact on food quality)*, in *La qualità e le qualità dei prodotti agroalimentari tra regole e mercato (The quality and qualities of agri-food products between rules and the market)*, Reggio Calabria, 10 November 2017.
- *Informazioni volontarie sugli alimenti ai consumatori (Voluntary food information to consumers)*, in 31 Congresso Un Punto Macrobiotico, 31 UPM National Congress, Pesaro, 21 October 2017.
- *Limiti normativi alle nuove idee di valorizzazione: dalla distinzione tra rifiuto e sottoprodotto alle norme di igiene (Regulatory limits to new valorization ideas: from the distinction between waste and by-product to hygiene standards)*, in *Il riscatto dello scarto: il valore del residuo nell'economia circolare e i nuovi*

materiali (The redemption of waste: the value of the residue in the circular economy and new materials), Sanremo, 07 October 2017.

- *L'utilizzo di retentato e latte in polvere nella produzione di formaggi. Quid iuris?(The use of retentate and milk powder in the production of cheese. Quid iuris?)*, in *Settimo Meeting della Veterinaria Salernitana*, Event for official control inspectors, Salerno, 29 September 2017.
- *Le informazioni sugli alimenti ai consumatori (food information to consumers)*, in *Le regole dell'informazione nel mercato agroalimentare. Il riso tra qualità e territorio (The rules of information in the agri-food market. Rice between quality and territory)*, Porto Tolle, 22 September 2017.
- *"Il responsabile commerciale" and "Analisi di casi" ("The sales manager" and "Case analysis")*, in *La disciplina relativa alla fornitura di informazioni sugli alimenti ai consumatori (The regulation relating to the provision of food information to consumers)*, Event for official control inspectors, Trapani, 16 June 2017.
- *La responsabilità degli operatori del settore alimentare (food business operators' responsibility)*, in *La disciplina delle informazioni sugli alimenti ai consumatori (The regulation of food information to consumers)*, Event for official control inspectors, Lamezia Terme, 03 March 2017.
- *La responsabilità degli operatori del settore alimentare (The responsibility of food sector operators)*, in *Alimenti e salute: è anche una questione di etichetta (Food and health: it's also a matter of food safety)*, Event for official control inspectors, Bologna, 29 November 2016.
- *Systems for the rapid exchange of information: coexistence, integration, unification. What is at stake?*, in *AgLaw Colloquium 2016. Agri-Food and Environmental Regulatory Agenda in Regional Trade Agreements: Legal Implications and Trends*. Pisa, 20-21 October 2016.
- *Cosmetici e denominazioni geografiche protette (Cosmetics and protected geographical names)*, in *Dalla nutraceutica alla nutri cosmetica: le nuove frontiere del mercato alimentare (From nutraceuticals to nutri cosmetics: the new frontiers of the food market)*, 20 May 2016, Alessandria.
- *Indicazione del produttore, dello stabilimento, del responsabile commerciale: molto rumore per nulla? (Indication of the manufacturer, the plant, the sales manager: much ado about nothing?)*, in *La sicurezza alimentare e le regole di etichettatura degli alimenti: sappiamo cosa mangiamo? (Food safety and food labeling rules: do we know what we eat?)*, ELSA Ferrara and Università degli studi di Ferrara, 02 May 2016.
- *Il ruolo della norma davanti al valore della biodiversità: da soluzione a problema (The role of the norm in relation to the value of biodiversity: from solution to problem)*, in *La società e l'economia di fronte al valore della biodiversità (Society and the economy faced with the value of biodiversity)*, Expo 2015, Milan, 21 October 2015.
- *Vecchi e nuovi alimenti: gli insetti edibili. Aspetti giuridici e profili di sicurezza alimentare e ambientale (Old and new foods: edible insects. Legal aspects and food and environmental safety profiles)*, Constitutional Law Scholars Association, Firenze, Italy, 07 October 2015.
- *Insects in Agriculture: Traditional Roles and Beyond*, in *Current Issues of Agricultural Law in a Global Perspective*, 2015 AgLaw Colloquium, Scuola Superiore Sant'Anna, Pisa, Italy, 17-18 September 2015.
- *La tutela dell'origine dei prodotti alimentari in Italia, nell'Unione europea e nel commercio internazionale (The protection of the origin of food products in Italy, in the European Union and in international trade)*, 21-22 May 2015, Alessandria, Italy.
- *Edible insects: food for the future?*, 2nd SDSN Mediterranean Conference, 05-06 Marzo 2015, Siena.
