- June 2011: Annual Meeting - Industrial and Business Economics, University of Parma, Parma (Italy). Paper presentation: "The Determinants of Intangible Assets in Manufacturing Firms: Evidence from Italy"
- June 2011: IFKAD 6th Edition - Knowledge-based Foundations of the Service Economy, Tampere University of Technology, Tampere (Finland). Paper presentation: "The Determinants of Intangible Assets in Manufacturing Firms: Evidence from Italy"
- May 2011: European School on New Institutional Economics, Scientific Institute of Cargèse, Cargèse (Corsica-France). Paper presentation: "Technology, Property Rights and

Organizational Equilibria: An Explanation of the Coexistence of Open and Closed-source Productions”

- April 2011: ICT, Intangibles and Innovation - ICTNET 2nd Workshop, Imperial College London and OECD, London (UK). Paper presentation: "The Determinants of Intangible Assets in Manufacturing Firms: Evidence from Italy"
- Feb 2011: Evolutionary Perspective on Technical Change and Industrial Dynamics – Sant'Anna School of Advanced Studies, Pisa (Italy). Paper presentation: “Technology, Property Rights and Organizational Equilibria: An Explanation of the Coexistence of Open and Closed-source Productions”.

### **Teaching**

- Microeconomia (in IT) – (undergrad, Management and Economics), University of Parma, academic year 2017/2018, 2018/2019
- Economics of Globalisation – (undergrad, Management and Economics), University of Parma, academic year 2017/2018, 2018/2019
- Microeconomics – (undergrad, Political Science), LUISS University, academic year 2015/2016, 2016/2017
- Microeconomia (in IT) – (undergrad, Management), LUISS University, academic year 2015/2016, 2016/2017
- "Introduction to Economics: Microeconomics and Macroeconomics" (undergrad), University of Parma, academic year 2014/2015
- "Introduction to Economics: Microeconomics and Macroeconomics" (undergrad), University of Parma, academic year 2013/2014

### **Field Experience**

- Zambia, Africa – data collection, June – July 2007. Such data were used in estimating the model reported in Arfini and Landini (2009)

### **Scholarships**

- 2-years Post-Doc Scholarship, MEDALics – “D. Alighieri” University for Foreigners of Reggio Calabria, 2012/2014
- 4-years PhD Scholarship, University of Siena, 2008/2012
- Research grant, CAREERA EU Project, University of Parma, 2008
- Leonardo scholarship, University of Parma, 2006/2007
- Socrates-Erasmus scholarship, University of Parma, 2004/2005

### **Language Skills**

Italian (Native); English (Fluent – TOEFL 107/120, IBT); French (Good – DELF B2)

### **Computer Skills**

Java (Simulation), STATA (Statistics – Data Analysis), Z-Tree (Lab Experiment Design), Wolfram Mathematica, Matlab, GAMS (Linear and Non-linear Programming)
